

Remembering Thomas

Three years ago the O'Hayer family established a 3 v 3 soccer tournament in memory of their son Thomas. Their 501(c)(3) not for profit "Wings of Soccer" has established two funds with The Savannah Community Foundation.

One fund will disburse monies to two agencies that helped the family after Thomas' death: our [Full Circle](#) bereavement programs and Victim-Witness Assistance. The second fund will support a soccer scholarship for a student in Chatham County. For more information, visit www.wingsofsoccer.org.
